## **SPORTSMANSHIP**

Rule G1501: The IEA was established to provide competitive and educational opportunities through equestrian athletics. Good horsemanship and honorable participation are priorities at every event. It is the responsibility of all attendees to foster a spirit of belongingness, an atmosphere of community enjoyment, and a mutual respect for all participants and their equine partners.

All attendees must commit to the following oath:

The logo features the letters "IEA" in a large, serif font, with a small "TM" trademark symbol to the upper right of the "A". Below "IEA", the word "OATH" is written in a smaller, bold, sans-serif font. The entire text is centered within a large, light gray circular border.

**IEA<sup>TM</sup>**  
**OATH**

*(To be publicly stated at the start of all IEA events)*

In representation of the participants at this event, I promise to respect and abide by the governing rules of the Interscholastic Equestrian Association and to represent myself, my team, and this association in the spirit of good horsemanship and honorable competition.

# Sportsmanship Awards

IEA is organized to promote and improve the quality of equestrian competition and instruction available to middle and secondary school students. Its purpose shall be set minimum standards for competition, to provide information concerning the creation and development of school associated equestrian sport programs, to generally promote the common interest of safe riding instruction and competition, and to educate on matters related to equestrian competition at the middle and secondary school levels.

The mission of the IEA is to introduce students in middle and secondary schools to equestrian sports and to develop understanding and appreciation of equestrian sports through organized competitions and educational opportunities.

Sportsmanship Awards – The EHC of each regular IEA sanctioned show will award a “Sportsmanship Award” to be chosen by the majority vote of the judge, steward and a designated, but undisclosed member of the show committee selected by the show steward. The award should be given to the rider who, during the course of the show and competition, best demonstrated the true meaning of sportsmanship.

# IEA National Sportsmanship Award

*Sponsored By IHSA*

The Interscholastic Equestrian Association (IEA), in conjunction with the Intercollegiate Horse Show Association (ISHA), awards a student-rider the National Sportsmanship Award each year.

The national award winner will be selected from the group of riders who earned a Sportsmanship Award at a local, regional or zone IEA show during the school year. These Sportsmanship Award winners will receive an IEA Sportsmanship patch (pictured), and will be invited to submit an application for the National Sportsmanship Award.

---

**Each award-winner applicant will present a personal resume that documents the following areas:**

- Equine-related activities and memberships: include any year-end or extraordinary awards
- School-related activities including clubs, sports, leadership positions and any awards or honors
- Community activities including volunteer organizations, community service, leadership positions and any awards or honors
- Community activities including volunteer organizations, community service, leadership positions and any awards or honors
- An official school transcript that demonstrates a minimum 3.0 grade point average.

In addition, the applicants will compose a 250-word essay that explains how horses and/or equestrian competitions have influenced his/her life. Three recommendations are also needed; one from an equine professional, one from a teacher or school advisor and one from an additional person of the candidate's choice.

**The submissions will be judged by a designated IEA committee based upon the following criteria:**

- Active equestrian participant
- Scholastic and extracurricular involvement
- Characteristics that exemplify good sportsmanship and positive peer role model
- Academic record of 3.0 or above

Applicants will place 1st-8th, as in other IEA National Competitions. Student-rider finalists from all IEA disciplines will be judged together.

The 1st place applicant will receive a \$500 scholarship award from IEA, a lifetime membership to IEA, and they will be nominated by the IEA in affiliate sportsmanship award programs like: USHJA Affiliate Sportsmanship Award Program, USEF Youth Sportsman's Award, and other similar programs, were applicable. His/her essay and a photo will appear in the summer issue of Take the Reins magazine.

In addition to the IEA awards, the Intercollegiate Horse Show Association (IHSA) will donate a perpetual trophy to be engraved from year to year with the names of 1st place winners, and a keeper trophy from the IHSA will be awarded to the recipient. The IHSA will also give a \$500 scholarship to the highest placing senior (12th grade) sportsman, and if that senior attends a college or university with an IHSA equestrian team the scholarship will be doubled to a total of \$1000!

Thank you to all the teams and owners who provided horses during the regular season and post season shows. IEA would not be possible without our beloved equine partners. Cheers to the horses listed below who earned the designation "Horse of the Show" this year because of their amazing service to their riders. We love our horses!
